

CHRISTMAS ACTIVITY PACK

REINDEER LOLLIPOP CARD

These lollipop cards are great fun to make. We've provided two versions here. Version 1 is great for kids that are confident with scissors, while version 2 is just as fun but easier to cut out.

Version 1 Reindeer shaped card

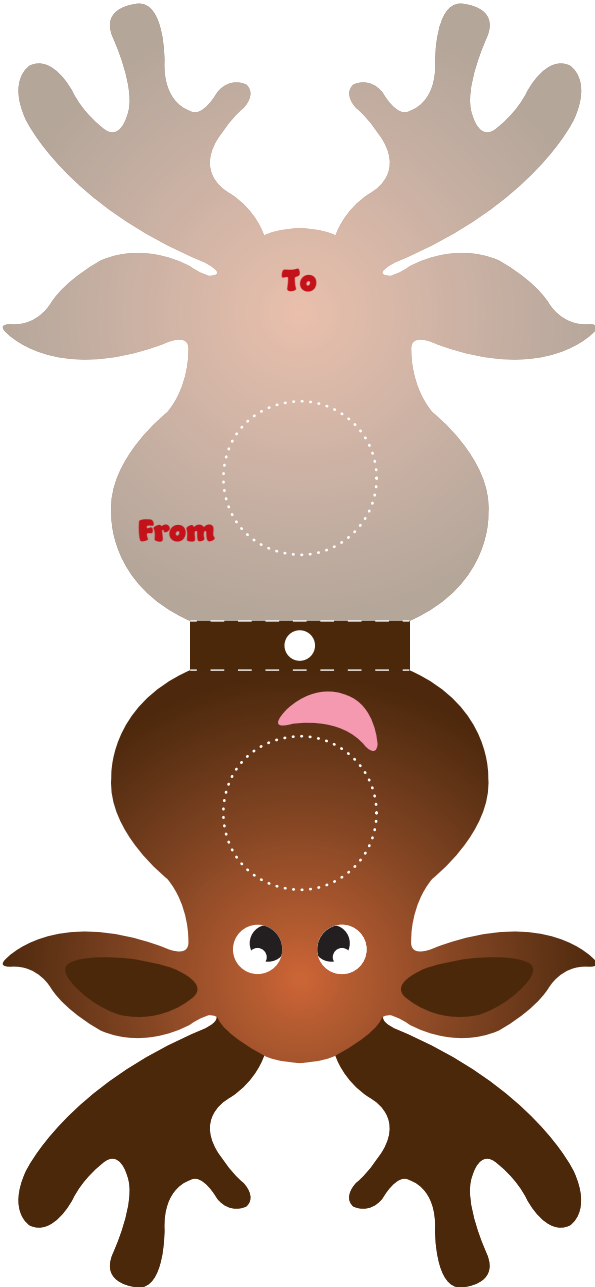

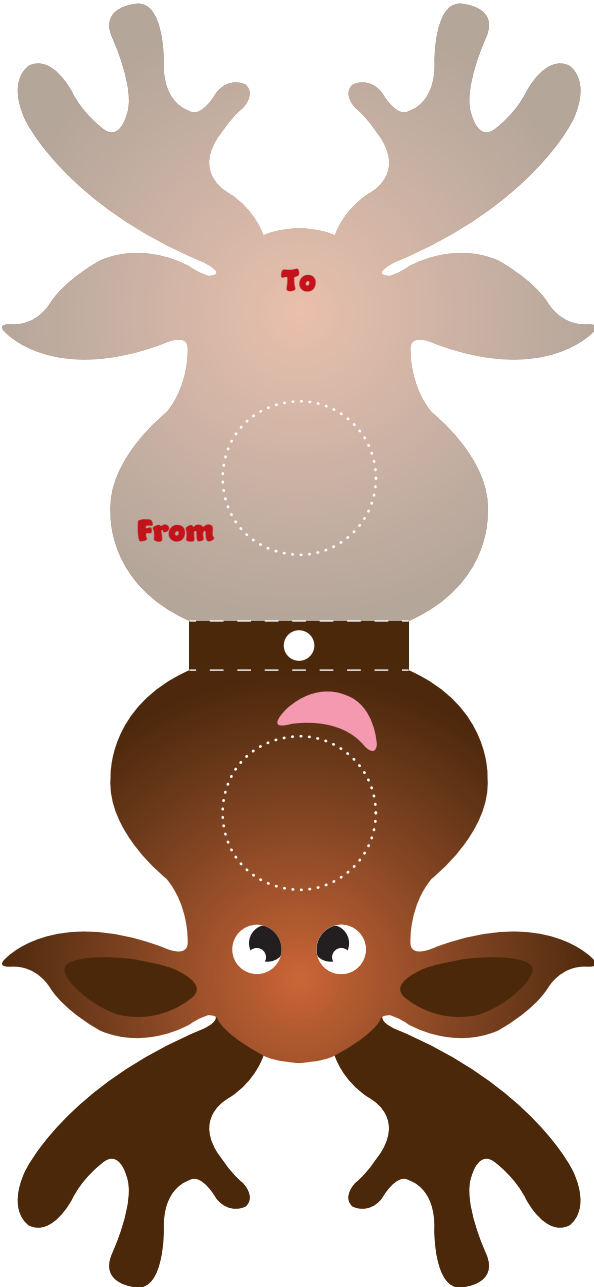

1. Cut out the reindeer from this template.
2. Stick it onto a piece of card and then cut around it.
3. Cut out the nose section and the hole for the lollipop stick.
4. Fold the two faces up along the dotted line so that they face outwards.
5. Put your lollipop through the hole and secure at the antlers with glue.
6. Write your Christmas message on the back and gift to family, friends and teachers.

Version 2 Rounded shaped card

1. Cut out the rounded shape from the template.
2. Stick it onto a piece of card and then cut around it.
3. Cut out the nose section and the hole for the lollipop stick.
4. Fold the two faces up along the dotted line so that they face outwards.
5. Put your lollipop through the hole and secure at the top with glue.
6. Write your Christmas message on the back and gift to family, friends and teachers.
